

## TELEOS ANALYSIS FEATURED AT ASIA TIMES

July 15, 2006 – Hong Kong – ***Teleos analysis featured in two Asia Times OnLine articles.***

The Asia Times OnLine has recently featured two articles written by Teleos' Managing Director, Benjamin Shobert. The first article, published on June 16, 2006 focused on the limitations captive manufacturing places on individual companies as well as the global economy. The second, published July 15, 2006 is a book review of Charles Fishman's book The Wal-Mart Effect.

Teleos provides a family of services ranging from fee-based analysis services in the field of product design, regulatory compliance evaluation or intellectual property review to more comprehensive development of business strategies for assisting Asian businesses more intelligently access the North American market. Additional services offered by Teleos include providing Asian businesses with the ability to hire employees through Teleos with Teleos providing administration of benefits and salaries. Clients selecting these services may also access Teleos' billing and expense oversight allowing the client-OEM to focus its resources in other areas.

The company's primary focus will be on technology companies whose emphasis is on differentiating themselves from their competitors not purely on price, but on innovative product design and marketing. Teleos clients are transitioning from a cost-only competitive model to a business model predicated on unique products reflecting their eagerness to adapt to new technologies.
