

SIMPLIFIED CHINESE CORPORATE PRESENTATION AVAILABLE

March 27, 2006 – Indianapolis, Indiana – ***Teleos completes a simplified Chinese translation of its corporate presentation materials, with additional translations soon to follow.*** In line with the continued expansion of Teleos into China, its corporate collateral has been translated into simplified Chinese. Copies of the new documentation can be downloaded by selecting the link shown on this page.

Teleos provides a family of services ranging from fee-based analysis services in the field of product design, regulatory compliance evaluation or intellectual property review to more comprehensive development of business strategies for assisting Asian businesses more intelligently access the North American market. Additional services offered by Teleos include providing Asian businesses with the ability to hire employees through Teleos with Teleos providing administration of benefits and salaries. Clients selecting these services may also access Teleos' billing and expense oversight allowing the client-OEM to focus its resources in other areas.

The company's primary focus will be on technology companies whose emphasis is on differentiating themselves from their competitors not purely on price, but on innovative product design and marketing. Teleos clients are transitioning from a cost-only competitive model to a business model predicated on unique products reflecting their eagerness to adapt to new technologies.
